ACTION REQUIRED REFERENCES					
<p>Action: See para 3 25X1A6a</p> <p>Reference: 25X1A6a 24 November 1962</p> <p>25X1X7 Reference indicates that the Embassy, 25X1A6a, has passed to the 25X1A2g a document entitled "Sino-Soviet Bloc Economic Activities in Underdeveloped Areas January 1 - June 30, 1962." This was a sanitized version of EIC R14-S13, dated 31 August 1962.</p> <p>25X1X7 The 25X1A6a representative in his weekly seminars with the 25X1X7 has not drawn from the non-sanitized version of this publication, nor from the bi-weekly publication of the same title, because of its restriction against foreign dissemination. He feels that there have been times when reference to the data in this publication would have helped in presenting a more complete picture of Sino-Soviet efforts to undermine 25X1X7 and U.S. influence in this part of the world, and in encouraging the 25X1A6a to make a greater contribution toward countering those efforts.</p> <p>3. 25X1A6a therefore requests the following:</p> <p>a. That we be authorized to utilize data contained in the non-sanitized version of EIC R14-S13 in our liaison with the 25X1X7 without reference to sources.</p> <p>b. That we be authorized to extract for passage to liaison items from the "Bi-Weekly Report" which are not marked "NO FOREIGN DISSEM" and which we feel would be in the best interests of 25X1A</p> <p>25X1A</p> <p>25X1A2e</p> <p><i>copy of sanitized R14-S13 given to SAIRK for Henty 6 Nov 63</i></p> <p>Distribution: 2 - 25X1A2g 1 - 25X1A6a</p>
